## PROGRESS ASSOCIATION NEWSLETTER

Circulation 310 E:eventsdeepwater@gmail.com Edition number 401 November 2024

We acknowledge the elders (past, present and future) of the Ngoorabul people.

### Harmony in difference

November is Adopt a Turkey Month and Manatee Awareness Month, and also contains Polar Bear Week, World Tsunami Awareness Day and World Toilet Day. There are many other “awareness” events throughout November. One of particular note is November 16<sup>th</sup> – International Day for Tolerance.

The UNESCO “Declaration of Principles on Tolerance” describes tolerance as “respect, acceptance and appreciation of the rich diversity of our world’s cultures, our forms of expression and ways of

being human... Tolerance is harmony in difference.”

Even in a small town like ours you can find diversity and difference, both in our history and our current population. Deepwater (like all Australian towns) was founded on Aboriginal land. The Ngoorabul people occupied the local area for thousands of years before Europeans began settling in the 1830s, and continue to today. In fact the local Aboriginal population, at 7.5%, is double the national percentage.

The 2021 Census includes other interesting results too. Nearly one third of Deepwater people say they have no

religion. One in seven report having a long-term mental health condition. In 2021 there were 29 residents who had previously served in the defence forces. Meanwhile, national surveys conducted this year suggest LGBT+ people could represent as many as 9.11% of all Australians – which could mean around 40-50 local residents belonging to that community.

*International Day for Tolerance* is a reminder to consider both our differences and the many things we all have in common. Diversity is something to be cherished and celebrated.

### Notices

The Deepwater School of Arts Hall committee are delighted to see the Hall being used by the Community. However due to the requirements of Crown Lands (the hall is on Crown Land) – all bookings need to be recorded.

The Hall can be booked through Foodworks.

Enquiries can be made through the hall chairperson, Mary Hollingworth. [tinkernanny@outlook.com](mailto:tinkernanny@outlook.com)

If you are using it during winter and need to use the heaters – please read the signs on how to turn them on and off. Also please keep all outer doors closed when using the heaters to keep the warmth in the building.

Thank you for your co-operation.

### Do you live alone?

Do you have some health issues?

Would you like to be able to let someone know if you fall or get ill?

The Progress Association is looking into the best way we can look after each other here in the village. Lately we have lost two residents, and no-one found them for about 3 days.

We are open to suggestions – call buttons if they work in bad reception areas, texts if they can work, phone calls to landlines if people have them. Some sort of register where some type of neighbourhood watch roster make visits to check on each other.

Let Tricia or Trudy know if you have any ideas, or would like to be on a register to have someone check up on your welfare.

You can email the Deepwater Progress Association  
[deepwaterprogressassociation@gmail.com](mailto:deepwaterprogressassociation@gmail.com)

with any questions or ideas.
