## PROGRESS ASSOCIATION NEWSLETTER

Circulation 307 E:eventsdeepwater@gmail.com Edition number 394 April 2024

We acknowledge the elders (past, present and future) of the Ngoorabul people.

### *History of the Anglican Church here in the Village*

It was noted that there were bush fires

and drought with the river being very low in 1898.

The grounds were fenced, and the single and double gates installed in January 1900

The Vestry was planned in July 1907 and built and furnished by June 1908.

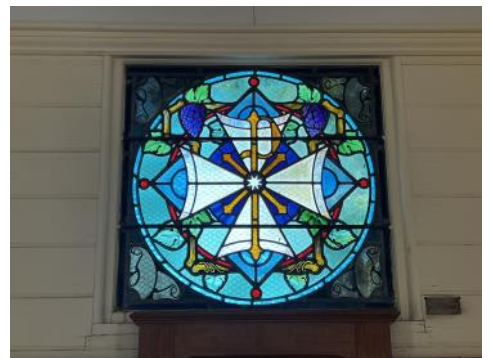

Joseph Barratt provided the coloured glass window in August 1928.

The land for the Anglican church in Forbes Street was donated by Mrs WT Cadell. The first block was laid 30<sup>th</sup> May 1898. The church was licenced 15<sup>th</sup> December 1898 in the Emmaville Parochial District. We think the first Christening was Claude Leslie Eather on 31<sup>st</sup> December 1899.

Bishop Green visited on 22 January 1897 and were guests on Deepwater Station of Mr and Mrs Cadell. He mentioned as there was no Anglican church here in the

village as yet they met at Deepwater Station – he noted that the Catholics had erected a very neat building.

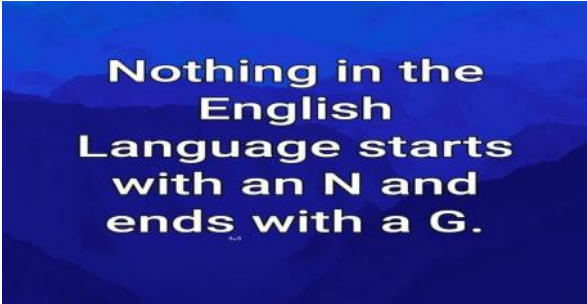

The Bishop also noted on 7<sup>th</sup> August 1897 that both Deepwater and Nine Mile had special services. Deepwater donated a sum of money for a Parish buggy. The vehicle, which was of inspected American wood with newest season wheels, and was being put together by Mr W Watson, Coachbuilder of Emmaville.

The School of Arts Hall committee wish to thank Robina Cox at RVC Legal for their very generous donation of this photocopier to our History/Meeting room at the Hall.

Stay tuned for how the community can make use of it as well.

We also thank Inland Technology for delivering it for us.

## Bush Fire Danger Period Ends

In Northern Tablelands

**26th March 2024**

This means that from the 1st April fire permits will no longer be required for burning in the open on rural properties located within Glen Innes, Inverell and Tenterfield Local Government Areas. Before lighting any fires this coming autumn and winter please ensure you have completed the following:

Notify the NSW RFS by visiting [www.rfs.nsw.gov.au/notify](http://www.rfs.nsw.gov.au/notify) or contacting 1300 141 119 at least 24 hours before lighting. Notify all adjoining neighbours at least 24 hours before lighting. Delay the burn if concerning winds are forecast. Create proper fire breaks and clear around the perimeter of piles of timber. Have adequate water resources and firefighting equipment on hand. Supervise the fire at all times. Call Triple Zero (000) immediately if your fire escapes.
