### Deepwater Pre-School

#### Has a new fence

There are 17 (soon to be 20) little children who are loving the nice, cosy, secure feeling of playing behind this newly erected fence at the local Pre School.

The children recently joined the Public School for the PJ's day. It is a vibrant little Pre School, and we love having them here in the village.

The teachers are very appreciative of the efforts of the parents that Laura gathered to insert the posts. Everyone is very appreciative of the efforts given by our community worker, Joe, to erect the last panels and finish off around the tank stand.

Big thank you for the fence from the Glen Innes Pre School. This improves the whole pre school experience for all the children here in Deepwater.

It looks wonderful from the street too. Well done to all the community members involved in this which began with the idea back in November 2024.

# FIRE PERMIT REQUIRED

**NSW RURAL FIRE SERVICE**

 Bush Fire Danger Period Starts Friday 1 August 

From Friday 1 August 2025, the Bush Fire Danger Period will commence across the Glen Innes-Severn, Inverell, and Tenterfield LGAs.

If you're planning to burn during this time:

-  You must have a valid fire permit
-  You must notify the NSW RFS at least 24 hours before lighting

To support local landholders, we've introduced a new SMS-only number to assist with both permit lodgement and burn notifications:

0429 322 555 (SMS only – no calls or voicemails)

This is a local initiative of the Northern Tablelands RFS and applies only to landholders in the Glen Innes Severn, Inverell, and Tenterfield LGAs. This is not a state-wide service.

You can use this number to:

-  Lodge a copy of your paper fire permit (if it was issued by a local brigade or Fire Control Centre)
-  Notify us of your intended burn by texting your permit number, name, burn location address, and burn date(s)

If you applied for your permit online at [www.rfs.nsw.gov.au](http://www.rfs.nsw.gov.au), you do not need to send us a copy. However, you are still required to notify us before you light your burn.

Burn notifications can also be submitted online at:

[www.rfs.nsw.gov.au/notify](http://www.rfs.nsw.gov.au/notify)

The 1300 141 119 notification line will be phased out over the coming months in the Northern Tablelands District.

We encourage landholders to begin using the new SMS number or the online form going forward.

Please share this information with others in your community and help us ensure a safe and well-prepared start to the fire season.
